2. EXT. MR. RACCOON'S STOREFRONT - DAY

Ari runs up and is immediately entranced by a big plate of flower-shaped cookies that Mr. Raccoon puts on a table with an umbrella in front of his store.

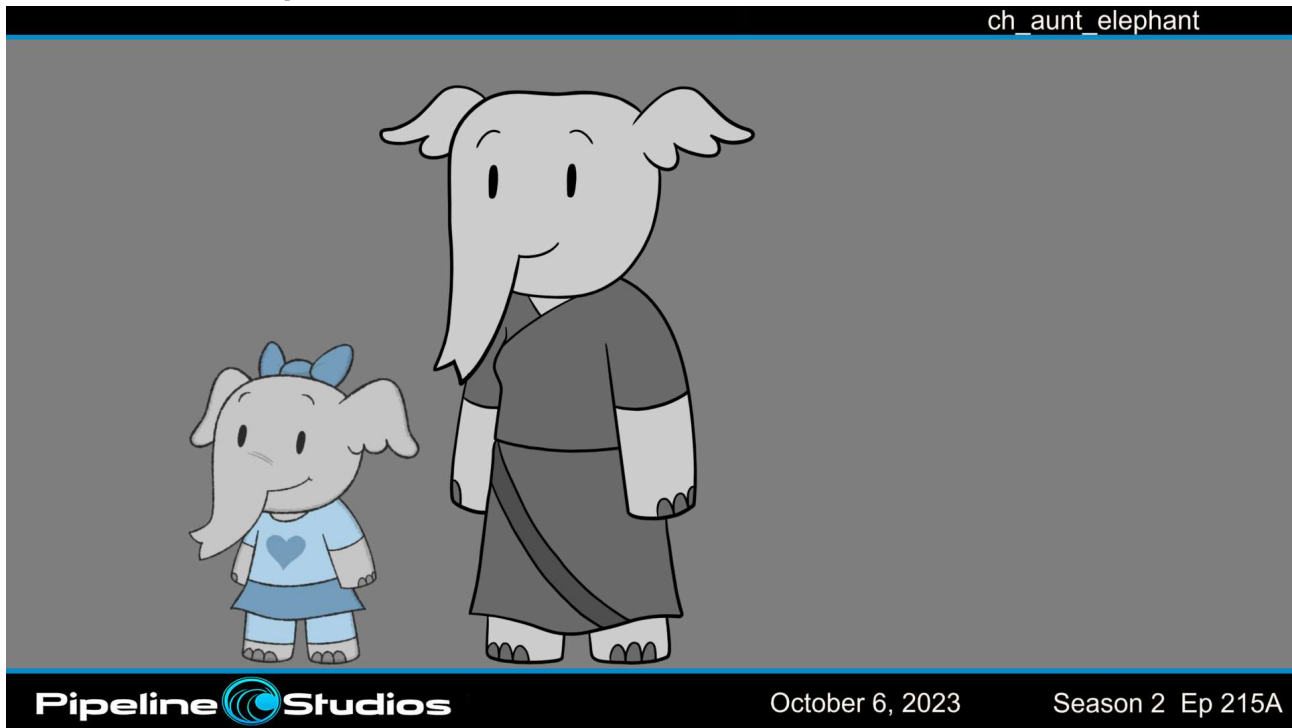

35 BLISS/OLIVE 35
Thanks, Mr. Raccoon.
The kids are around the cookie table, partially under the umbrella.

Mr. Raccoon walks off, leaving the kids munching their cookies. A beat later, it starts to rain around them. They get slightly wet (not too much since they are partially under the umbrella).

36 ARI 36
Wow, is it raining?
WIEN TO BANZAI: Mr. Raccoon is up on his ladder with his hose. He's accidentally sprayed them.

3. EXT. TOP OF BIG HILL - DAY

The kids are on the top of the hill overlooking the park.

55 OLIVE 55
Well, the sky is blue, and the sun
is shining.

56 ARI 56
And I don't see any rain right now.

Meanwhile, Olive looks up at the sky.

41 OLIVE 41
Ooh! I see a cloud over there!

ANGLE ON: A dark cloud in the distance.

42 OLIVE (CONT'D) 42
It looks like a dark cloud - I'd
better draw it.

(CUTAWAY)

ANGLE ON: Dark cumulonimbus clouds in the distance start
moving in the wind.

43 OLIVE 43
Oooh and the wind is blowing the
clouds. I'd better get that in the
chart.

ext_town_park

Everything in the parade will get wet.

41THOUGHT BUBBLE: Reveals the parade, soaking wet.41

OLIVE

42Ooh, that would not be good.42

ELINOR

43The parade would be ruined!43

ARI

44Or what if it snows?44

THOUGHT BUBBLE: The parade is now covered with a big WHUMP of snow.

OLIVE (O.C.)

Wait, most of the time, it only snows in winter, and this is spring. But what if it's too hot to walk around?

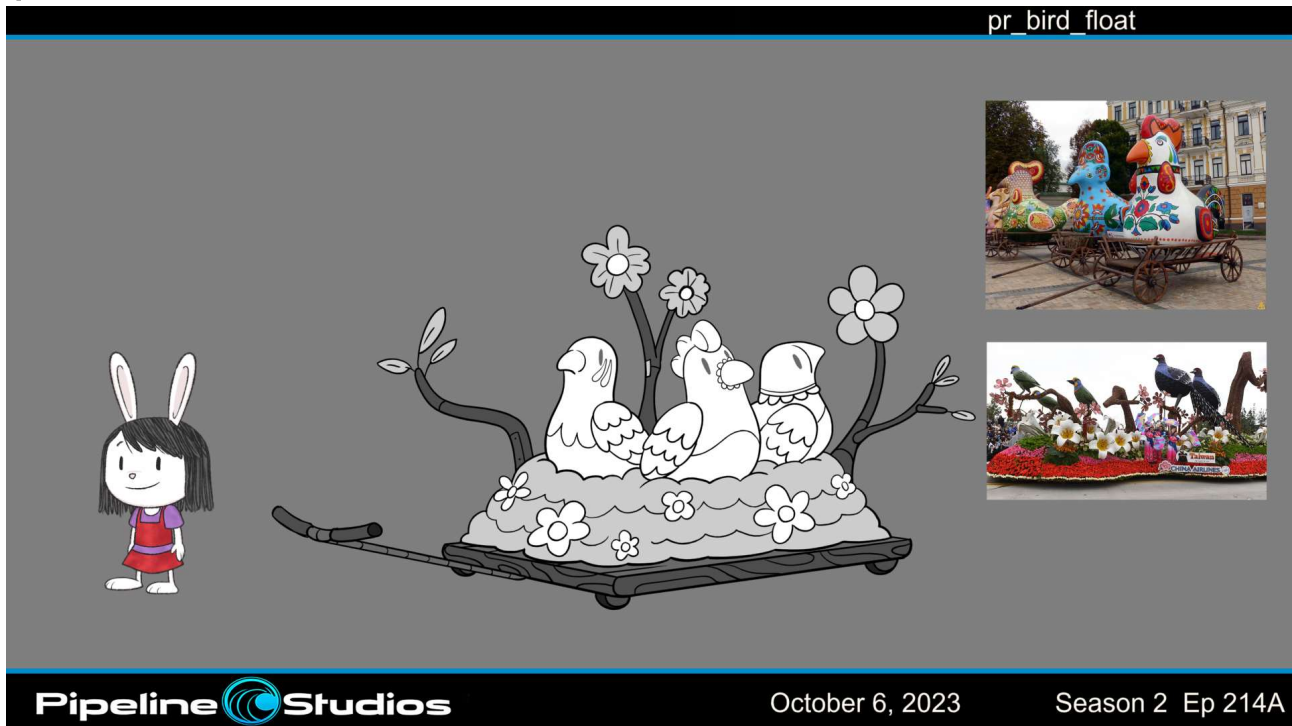

THOUGHT BUBBLE: The sun shines, the snow melts everyone in the parade wilts with an <SFX: UGH> and slumps away.
